

# 2018 Etudeproduct-pdf - Pinot Gris Carneros - Etude! Incredible Pinot Gris Deal! 92 POINTS!

## Why We're Drinking It

Refreshing as the day is long! Clean, pure and delicious! Summer is coming!

*"Fantastic nod to Alsace."* -- James Suckling

This is just electrifyingly delicious -- crisp and pure and also packed with lightly exotic tropical fruits -- guava, lychee, passionfruit...all beautifully balanced and harmonious. Alsace meets California! Incredibly hard to stop once you start! At THIS price? Back up the truck!

Etude was founded on the philosophy that winemaking begins in the vineyard long before the harvest, with superior grape growing leading to wines with authentic varietal expression and a telling reflection of where they are grown and produced. This wine is refreshing, rich and round with a creamy mouthfeel that gives this white depth and texture leading to an elegant finish! Perfect for a lovely spring summer day in the park with a charcuterie board!

We have about 29 cases to offer...while it lasts!
