2018 Send Nudes Rosé product-timed-pdf - Sonoma Coast, CA - PSA: Showing Skin is Always In!!

Why We're Drinking It

This debut vintage of Rosé from SLO Down Wines is bound to get you back in your birthday suit! Made from 100% free-run juice of Sonoma Coast Pinot Noir, SEND NUDES is a prepossessing pale pink sherbert. Warning: Too much of this Rosé might make you feel inclined to send your own nudes. Whether you share with reckless abandon or a special someone who really deserves it, just remember showing skin is always in

SLO Down Wines is the combination of a dream, hard work and just a touch of magic. As the label of flagship wine Sexual Chocolate reads, "SLO Down Wines started as a bootlegging operation" in a college town back in 2008. Although SLO Down Wines had a very humble beginning, a lot has changed from the days of barrels in the backyard. The brand now produces approximately 25K cases of wine across three unique offerings: Sexual Chocolate Red Blend, Broken Dreams Chardonnay and Stand Out Cabernet/Merlot blend.

The talented and loveable winemaker/owner Brandon Allen is at the helm of the company and with his passion, can do attitude and deep relationships in the market, he has grown the brand to incredible success.

SLO Down Wines represents all that is good, fun and genuine about wine and the wine industry in general. They take the approach that you can make killer wine without the elitist attitude that so often accompanies fine wine.

Tasting Notes

The nose bursts with aromatics of ripe peach, rhubarb, and crushed ginger. Upon entry, flavors of white nectarine, wild berries, and fresh-cut watermelon flutter the pallet. As freshness lingers, you are left with a subtlety of citrus rind and white grapefruit.
