## 2016 Domaine Besson Chablisproduct-timed-pdf - Grand Cru Vaudesir - Grand Cru Chablis, 54% Off, WE 93pts!

### Why We're Drinking It

Hold onto your berets, GRAND CRU Chablis is coming your way at 54% OFF! Yes, you read that correctly, a prized parcel that typically trades in the \$80+ range is available to you, dear Invino loyalists, at sub \$40! Did we mention the 93pts from Wine Enthusiast?

Roger Voss says, "This powerful wine owes its richness to the ripe yellow apple and pear flavors, with a mineral structure that imparts a taut character. Light wood aging (10% of the wine) has added just a hint of toast. Drink from 2023."

Camille Besson who recently took over the reigns of winemaking from her father, Alain, received the Trophée des Jeunes Talents, an award to winemakers under 40 who have been in the business for less than 5 years. The accolades and praise alone are a reason to hustle to add a few of these to your cellar, and of course the hyper competitive price for GRAND CRU Chablis! GRAND CRU!

Now you're probably wondering, yes, YES, we get it, Grand Cru, it's special and insanely priced, don't you like making margins? Can you get to what the wine tastes like already? Indeed! While enjoying the subtlest hint of light wood aging, the wine is racy, minerally, mouth-tingling Chablis brilliance, just how we like it. Icy acidity, crisp, flinty, beautiful salinity that is reminiscent of fresh Kumamoto oysters plucked from the ocean, with sweet Meyer lemon, hints of tropical and tree fruit, and a finish that keeps you longing for another sip. With all the acidity, this will age into utterly spectacular mind-bending astonishment! Too much? Not enough in our opinion.

Hurry before your fellow Invino fans hoard this from you! 93pts! \$39! Grand Cru!

### The Story to Know

Situated in the heart of Chablis, Domaine Besson is the proud owner of an exceptional wine-producing heritage, seeking to express and transmit in its wines the purity and sensitivity of this unique terroir. The estate is an independent family-owned and run domaine spanning four generations. Today, their 21 hectares comprises holdings in Petit Chablis, Chablis and selected Premiers/Grands Crus. Alain Besson has handed more control to his daughter Camille, who looks after the winemaking and marketing, and his son Adrien who is responsible for the vineyard work. Practicing 'lutte raisonnée' in the vineyards and manual harvesting (for the Grands Crus only), their thoughtful, sensitive winemaking gives rise to wines that offer a pure expression of fruit in a fine and elegant styling.
