## 2018 Casa Monte Pío Morro O Conto product-timed-pdf - Albariño | Spain

### Why We're Drinking It

Casa Monte Pio was founded in 1979 by Jose María Martínez; now his grandson Pablo Martínez carries the family tradition as the owner and winemaker. Pablo's passion lies in the vineyard – he realized this after a brief career in accounting. Upon his return to the wine industry, he has dedicated himself to organic viticulture and craft wine production.

Hints of citrus and marine notes with a super straightforward and fresh palate. Vibrant acidity, with a prominent of saltiness and mineral touches due to being sourced from sandy, mineral-driven soils.

---

### Tasting Notes

Appearance: bright and clean yellow straw-coloured with green highlights.

Nose: highlights the aromas of the variety with hints of citrus and marine notes.

Taste: straight and fresh. Vibrant acidity, with a prominent of saltiness and mineral touches.

### The Story to Know

Casa Monte Pio was founded in 1979 by Jose María Martínez; now his grandson Pablo Martínez carries the family tradition as the owner and winemaker. Pablo's passion lies in the vineyard – he realized this after a brief career in accounting. Upon his return to the wine industry, he has dedicated himself to organic viticulture and craft wine production. His vineyards are located within walking distance to their family home, located in the heart of the Val do Salnés near the Rio Umia.
